Lecture Theatre

THERMAE ROMAE テルマエ・ロマエ

2012 TOHO 108min
Japanese with English subtitles

Directed by TAKEUCHI Hideki

Original comic by Yamazaki Mari

Cast: ABE Hiroshi, UETO Aya, KITAMURA Kazuki,

Story:

Lucius (Abe), an architect of spa baths for the Roman Empire, inadvertently travels through time and finds himself in a modern Japanese bathhouse. He takes elements of Japanese culture that he learns there back with him to Rome and is hugely successful, which leads the Emperor to command him to build a massive spa.

(c)2012 "THERMAE ROMAE" Film Partners

An adaption of YAMAZAKI Mari's popular manga, which has won both the 2010 Manga Grand Prize and the Tezuka Osamu Cultural Prize for Best Short Work.

Abe Hiroshi and the rest of its cast of talented actors with sharply sculpted faces throw themselves into their roles as citizens of ancient Rome. Another striking aspect is its large open set built at Cinecitta, Italy's largest film studio.
