The Chef of South Polar (2009)

Director: OKITA Shuichi

Cast: SAKAI Masato, NAMASE Katsuhisa, Kitaro, KORA Kengo etc.

Synopsis

In 1997, an 8-man research team arrived at Dome Fuji Station in Antarctica. The station is 1,000km away from the Antarctic coast. No animals, and no virus can live there...

Mr Nishimura is a chef of the team. He misses his family in Japan, but he tries to make a delicious meal to make the members happy every day. The Captain of the team is addicted to ramen, the doctor tries to train to participate in a triathlon when he returns to Japan, and the young support member likes a telephone operator whom he has never met before... Various unique people have to live together for one and a half years. What will their curious lives be like in the South Pole?
